- We suggest you to use the Khatm Al Shakla Border pass in Al Ain which seems faster than the Hatta Border.
 - If your car insurance does not cover Oman, then you can purchase third party insurance for a nominal fee (currently around 100-150aed for up to a week's cover) at the border – most have an insurance company based there especially for this.
 - Please note that most nationalities with UAE residence visa can obtain Oman tourist visa on arrival, cost 50 AED. Arab nationalities have restrictions, Filipinos, Indians and Sri Lankan nationalities need to apply for visa in advance from the Omani consulate in Dubai.
- For visa enquiries please contact the Sultanate of Oman Commercial office in Dubai.
